Re the prayer of Bhagvathamma for the transfer ~~of~~ to her name of "Ugranada" baraward held by her husband in ~~the~~ Sri Uttaradi ~~Branch~~ Branch matt at Seringapatam

From

The Deputy Commissioner, Mysore District

Letter No 313, dated 6th February 1907

One Bagvathamma of Seringapatam petitioned to this Office stating that she was the widow of Dharmachar who was doing the duties of "Ugrana" post in the Branch Uttaradi matt at Seringapatam, and praying that the baraward of that post might be transferred to her name. The petition was forwarded to the Deputy Commissioner for report

The Branch Uttaradi matt at Seringapatam ~~was taken~~ is at present under the management of Govt in the

Muzrai Deptt. Its scale of Establishment and Paditara charges was revised and fixed in Govt Pro: No 986-7, dated 1st November 1905. ~~Since~~ The post of Ugrana under adverted is not provided for in that scale.

The report called for from the Deputy Commissioner has now been received. From its enclosures, it is observed that Srinivasa Murthachar, who was appointed Vydik Parpatteyar of the said Matt under the above mentioned Proceedings of Govt, reports that no accounts had been kept in the Matt previous to his appointment and that therefore it is not possible to state whether the petitioner's husband Dharmapur held the post alleged. that some of the Matt people have presented a Mahazar to say that since their coming to the Matt they have not known any one by the name of Dharmapur who was looking after the Ugrana duties. ~~And~~ The Vydik Parpatteyar however says that one Dadamapur, an old servant of the Matt testifies to the said Dharmapur having served as Gollar for about 4 or 5 years and the post of Gollar having remained

vacant after his death. The Parpatteyar also forwards a Baloband Patti prepared in 1906, showing the names of persons who were privileged to dine in the matt, from which it is seen that the petitioner's husband was one so privileged and that therein he is named as Ugranada Dharmapar.

The Amildar of the Seringapatam Taluk recommends that the varavard of the Ugranada post may be transferred to the name of the petitioner and she be paid Rs 1-8-0 per mensem just as the other servants of the matt are remunerated and also allowed to take one meal in the matt, and proposes that the expenditure on this account may be met from the savings of Rs 377-5-8 annually effected from out of the income of the matt lands and reserved for the periodical repairs of and unforeseen expenditure in the matt

No 313/1 file.

To

L. Anantasammi Rao Esq B.A.
Secretary to the Government of Mysore
Mugrai department.

Sir,

In submitting herewith the file of papers relating to the petition of Bhagirathamma, widow of the late Dharma Char who was doing the duties of "upprama" post in the Branch Uttaradi Matt at Seringapatam, I have the honour to state as follows:—

2. In her petition dated 6.12.1906 to this office, Bhagirathamma prayed for the transfer to her name of the upprama post held by her husband in the Branch Uttaradi Matt at Seringapatam. The records were thereupon called for from the Taluk.

3. It is observed from the original Kulabandi Patti, which is a list showing the names of persons who were privileged to take their meals permanently in the said Matt and produced by the petitioner (copy of which list together with a Kannarese translation thereof has been filed with the records)

that—

Upramada Dharma Char (Petitioner's husband) was one of those who were enjoying the said privilege and that on a recommendation being made to the Sub Divisional officer of French Rocks by the Amildar of the Seringa-patam Taluk (Vide report No: 79/803 dated 8.3.06) for the transfer of the bara-ward to the petitioner's name on a pay of 1-8-0 per mensem to be met out of the balance of Rs 377-5-8 re-served for periodical repairs and unforeseen expenditure of the Matt, together with one meal per diem in the matt, the then Sub Divisional officer, Mr K. Srinivasa Rao ordered thereon that there was no necessity for a recommendation being made to Government to revise the sanction-ed scale.

4. The present Amildar, Mr Syed Yakoob, reports that, at present, the Parpatte-gar of the Matt is attending to the duties of the Upramada post in addition to his own.

5. As the petitioner states that she is in a distressed condition and as no provision has been made for

Upramada

Upramada post no

No 1986-70 dated 1-11-05 forw-
ing a scale of expenditure for the
Branch Uttaradi Math at Seringa-
patam, the connected papers
(received with the Amildar's report-
no 359/316 dated 27.12.06) are sub-
-mitted for favourable considera
tion of Government.

I have the honor to be,
Sir,
your most obedient Servant

Govt Pro. no. 1986-7, dated 1st November 1905, fixing the scale of expenditure for the Branch Uttaradi matt at Seringapatam

Petition Reg'd no. 5545, dated 23rd June 1906, from Bhagiathamma, widow of Dharmapal, praying that the Varawand of the Ugranada post in the Branch Uttaradi matt at Seringapatam held by her deceased husband, may be transferred to her name.

Letter no 313, dated 6th February 1907, from the Deputy Commissioner, Mysore District

---

Order thereon :-

The petitioner

No. 447 25/11-3-07
Executive

Bhagirathamma

has petitioned Govt stating that she is the widow of one Dharmapar, who was looking after the duties of the Ugrana post in the Branch Uttaradi Matt at Seringapatam and prays that the barawand of that post may be transferred to her name.

2. The Matt in question is at present under the management of Govt in the Muzrai deptt. Its scale of Establishment and Padkana charges was temporarily fixed in the Govt Pro: of the 1st November 1905 read above. The post of Ugrana referred to by the petitioner has not however been provided for in that scale.

3. Srinivasa Mavithaphan, Govt. who was appointed ~~Hyderabad~~ Parpattegar of the Matt under the above mentioned order of Govt, reports that no accounts having been kept in the Institution prior to his appointment, it is not possible for him to state whether the petitioner's husband Dharmaphan held the post in question, but that one Dadamaphan, an old servant of the Matt testifies to the individual having once served as Gollan in the Matt for about 4 or 5 years, and to the post having remained vacant after his death the Parpattegar

also submits the original Patta of the matt written in Devanagari characters, showing the names of persons who were privileged to take meals in the matt, from which it is observed that the petitioner's husband was one who was so privileged, and that he is named therein as "Nyanada Dharmadhar."

The Amildar recommends that, under the above circs., the barawad of the Nyana post may be transferred to the name of the petitioner and she be paid Rs 1. 8 0 per mensem, just as the other servants of the matt are remunerated and also be allowed to take one meal in the matt and proposes that the charge

may be met from the savings of Rs 377-5-8 annually effected out of the income of the Matt lands which have been ordered to be reserved for the periodical repairs and unforeseen expenditure of the Matt. The Deputy Commissioner supports the above recommendation in view of the distressed condition of the petitioner.

5. With reference the foregoing, the Govt observe that the scale of expenditure prescribed in their Pro: of the 1st November 1905 read above, was fixed only for one

year, and the Deputy Commissioner was requested to submit a report at the end of that period, so that a further revision might be effected, if found necessary. ~~The Govt~~ are of opinion that the entertainment of a separate person to look after the Matt Uzuna is a necessary item, but as no provision has been made for the work in ~~the sanctioned scale, the~~ Under the circumstances explained by the Dy Commr, the Govt are pleased to approve of the Deputy Commissioner's recommendation to the appointment of the petitioner Bhagiratharamma as the Uzunada Banawaddar of the Matt on pay Rs 1-8-0 per mensem

with one meal a day in the matt, the charge being met, as proposed by him, from the savings of Rs 377-5-8 annually effected in favor of the institution.

6. The necessary addition will ~~also~~ be made in the Vasdik Patti of the matt.
